EDUCATION SYSTEM BY **SKILL SE SUCCESS**

Ultimately, leadership is not about glorious crowning acts. It's about keeping your team focused on a goal and motivated to do their best to achieve it - especially when the stakes are high and the consequences truly matter. It's about laying the groundwork for others' success, and then standing back and letting them shine.

THE AFFILIATE PROGRAM

THE FOURSTEP RETAIL program focuses on increasing direct sales of retail products through customer-driven groups. Customers can build their own groups by recruiting others, and as the group grows, they earn commissions and bonuses based on the sales made by their consumers.

This organization operates on an affiliate program model, which incorporates powerful sales concepts, strategies, and techniques that are effective in marketing, boosting sales, and expanding the consumer community.
